

## Base Distribution - Task # 48069

<b>Status:</b>	New	<b>Priority:</b>	Should have
<b>Author:</b>	Aske Ertmann	<b>Category:</b>	
<b>Created:</b>	2013-05-08	<b>Assigned To:</b>	Christian Müller
<b>Updated:</b>	2013-07-11	<b>Due date:</b>	
<b>Subject:</b>	Make node migration more user friendly		
<b>Description</b>			
<p>Currently the implementation is not very easy to figure out. For the most part people will just want to apply the migrations that needs to be applied and do it to all or a specific workspace, both should be fairly easy to do.</p> <p>For now this is not such a big issue but it will become more and more of an issue with the amount of Neos implementations.</p>
