Description			
Headline and copytext			
Headline: Ready for the cloud			
Copy: Since TYPO3 Flow is cloud-ready, so is TYPO3 Neos. TYPO3 Neos scales with your business and your demands. You plan an intense marketing campaign? Simply add as many servers to your environment as you require - TYPO3 Neos will handle all the low level configuration for you.			
Idea and Reasoning			
Cloud computing is the other big buzz right now.			
Icon and image style			
- clouds (who would've thought....)
