Subject:	Tutorial Bug on "View"-Page		

Description

In the View Part about Templates.
The Template for the "master.html" is correct. The explanation is not.

In the template it says:
<f:base />
which works fine.
The explanation following it says:
<base href="http://dev.tutorial.local/"></base>
which causes an error in the FE

Ok,

found the bug... it was me... was a bit tired i think.

Misunderstood the text...

Greetings
