Updated:	2013-10-02	**Due date:**	
Subject:	Configurable image options		
Description			

The ImageService currently uses the default options of the Imagine package when creating images. This should be configurable (e.g. in order to specify the default image quality)

Associated revisions

Revision dc3edf5f - 2013-10-02 13:21 - Bastian Waidelich

[FEATURE] Configurable image options

This adds a new setting image.defaultOptions that is passed
to the imagine package when creating images.

This change also increases the default image quality.
