Subject:	Make Install Tool look beautiful in modern IE's		
Description			
Currently the Install Tool falls back to "IE7" mode and then everything looks very very ugly even on more modern IE's.			
We should state in the meta-headers that it's build for "IE9" and then it will look great in IE9 and later.

[TASK] Make Install Tool look beautiful in modern IE's

IE9 and later understand CSS3 features which we use in the Install Tool. Make sure IE don't fall back into IE7 mode.
