Description			
<p>The TYPO3 Neos team is passionate about giving you the best possible experience while accomplishing your daily tasks. This is why we do not accept no as an answer.</p> <p>The entire code is backed by automated tests so you can be sure that the system acts like it is supposed to.</p> <p>Also we do not use state of the art technolgies - we define state of the art.</p> <p>Every component used within Neos is thoroughly tested in different setups and use cases so we can keep up with our promise: Deliver excellence in software.</p> <p>Maybe a bit too over-the-top, but hey :)</p> <p>Why keep our lights under the table :)</p>
