Revision 01d95d50 - 2013-10-26 12:11 - Rens Admiraal

[BUGFIX] The 404 error page is rendered outside viewport

The 404 page is styled incorrectly and because of this not
displayed inside the screen, but only partly visible in the top
right corner of the screen.

This change cleans up the dependencies of the error screen on
bootstrap and minifies the CSS used. Besides that it adds
responsive styling for the error page to display it in the
center of the page again.
