Subject:	Broken link to "CGL on One Page"		

Description

On the PHP Coding Guidelines & Best Practices page the link to the "CGL on One Page" document is broken. It currently points here:

    http://flow.typo3.org/_Resources/Static/Packages/TYPO3.Flow3Org/Assets/Content/TYPO3_Flow-CGL-on-one-page.pdf

The correct link seems to be this one:

    http://flow.typo3.org/_Resources/Static/Packages/TYPO3.FlowTypo3Org/Assets/Content/TYPO3_Flow-CGL-on-one-page.pdf

Seems like this has been fixed already, maybe with #49963. The link currently points to

http://docs.typo3.org/flow/TYPO3FlowDocumentation/stable/_downloads/TYPO3_Flow_Coding_Guidelines_on_one_page.pdf and the file is present there.
