Subject:	Node Type Filter: ExtDirect Error		
Description			
When choosing for example "Shortcut" in the "node type filter" (I presume it's called like this), the filter doesn't work, and an ExtDirect error is displayed (see neos_node_type_filter.png			

History

- Status changed from New to Closed

Thanks for your bug report.

I tried to reproduce your scenario in Neos 1.1.2. But the behavior is as expected.

Please try to update to Neos 1.1.2 and check it there. If there is still an issue just create a new ticket on <https://jira.typo3.org/>
