Updated:	2014-10-01	**Due date:**	
Subject:	Create new user - Required argument "roleIdentifier" is not set.		

Description
Hi Neos team;   When i want create new user and I not choose "Role" i received error "#1298012500: Required argument "roleIdentifier" is not set."

History

#1 - 2014-10-01 19:11 - Jonas Renggli

- Status changed from New to Closed

Thanks for your bug report.

Can't reproduce under Neos 1.1. Now the editor role is selected by default. And because these are radio buttons the state where no role is selected is not possible anymore.

If the problem still exists please open an issue on https://jira.typo3.org/
