

TYPO3.TYPO3CR - Bug # 54566

Status:	New	Priority:	Should have
Author:	Thomas Hempel	Category:	
Created:	2013-12-22	Assigned To:	
Updated:	2013-12-22	Due date:	
Subject:	Make node label configurable		
Description			
<p>Right now the label in the node tree is either fetched from a property called "title" or "text". See Domain/Model/DefaultNodeLabelGenerator.php</p> <p>Please make this configurable via the NodeType configuration. "Title" or "Text" does not always appropriate and it can cause some confusion.</p> <p>I will try to provide a patch within the next days.</p> <p>Greets, Thomas</p>
