

TYPO3 Flow Base Distribution - Bug # 54593

Status:	New	Priority:	Must have
Author:	Chr is	Category:	
Created:	2013-12-25	Assigned To:	
Updated:	2013-12-25	Due date:	
Affected Flow version: (any)			
Subject: ini_get return value has changed for PHP >=5.3.0 -> changed check-implementation needed!			
Description			
There is a function ini_get(...) used in			
TYPO3-Neos/Packages/Framework/TYPO3.Flow/Classes/TYPO3/Flow/Core/Bootstrap.php			
The return value is checked to the presence of an empty string like this:			
<pre>if (ini_get('date.timezone') === '') { // payload }</pre>			
The return value has changed for PHP Versions >=5.3.0			
See PHP Changelog ¹ for function ini_get(...):			
5.3.0 Previously, the empty string was returned if the configuration option didn't exist. <i>now, FALSE is returned instead.</i>
