<b>Subject:</b>	Wrong CSS-Styling in Installer		
<b>Description</b>			
<p>Hi there,</p> <p>TYPO3 NEOS Installer has a wrong stylin for the database select box.</p> <p>On Chrome (latest) on Windwos 8.1 the default stylesheet displays color:white on a white background which results in a empty select box which is only visible on hover.</p> <p>Adding option{ color:#000 } corrects this behaviour.</p> <p>Best regards, Daniel</p>
