<b>Subject:</b>	priority is not working as expected		
<b>Description</b>			
Hello,			
I started an application but the priority setting of ui groups doesn't work as expected. The groups are getting ordered as latest inside of the inspector view. Here a link to my settings, where I followed the online docs.			
<a href="https://github.com/dohomi/Neos-Plugin-DMF.BootstrapContent/blob/master/Configuration/NodeTypes.yaml">https://github.com/dohomi/Neos-Plugin-DMF.BootstrapContent/blob/master/Configuration/NodeTypes.yaml</a>			
Regards, Dominic
