Subject:	Framework Packages aren't sorted properly if package is overriten in typo3conf/ext		
Description			
issue #55623			
was resolved in patchset https://review.typo3.org/27300			
unfortunatelly it doesn't take care of correct sorting when system extension is installed in different directory than typo3/sysex (e.g. when extension is installed in typo3conf/ext)
