

TYPO3.Flow - Bug # 5599

Status:	Resolved	Priority:	Should have
Author:	Michael Sauter	Category:	- Documentation -
Created:	2009-12-02	Assigned To:	Karsten Dambekalns
Updated:	2010-10-20	Due date:	
PHP Version:			
Has patch:			
Complexity:			
Affected Flow version:			
Subject:	Various typos in documentation		
Description			
<p>I found a couple of (really) minor bugs and typos while going through the docs ...</p> <p>In chapter 5, example 5.16, the method "someAction" uses \$greeter, but that should be \$this->greeter.</p> <p>In chapter 13.2, section "More-factor authentication strategy", the last sentence of the first paragraph should read "This option is disabled by default and can be enabled with the following configuration:" instead of "This option is by disabled by default and can be enable with the following configuration:".</p> <p>In chapter 13.2, section "Authentication mechanisms shipped with FLOW3", in the last sentence in the first paragraph it should be "please" instead of "pleas".</p> <p>In chapter 13.3, in the fifth paragraph it should be "If you want, you could implement your own access decision manager." instead of "If you want, could implement your own access decision manager."</p> <p>In chapter 13.4, section "Roles", the second sentence should be "A granted authority can be attached to an users security context, to determine which rights should be granted to her." instead of "A granted authority can be attached to an users security context, to determine the which rights should be granted to her."</p>
