History

#1 - 2014-02-16 19:20 - Chris topher

The according change <https://review.typo3.org/#/c/27640/> has been merged in 6.2 and a backport has been merged in 6.1. I guess the docs of these branches will in case need the update then?

#2 - 2014-02-17 10:05 - Markus Klein

No this is independent. The forceOnTop is needed in all branches since the introduction of the feature.

The linked fix is only an edge case with concatenateXX and has nothing to do with the docs.
