[BUGFIX] Adding new records in edit mode broken

It was not possible anymore to use the "add new record" button in TCA select fields on records with pid > 0.

This patch makes it work again; the redirect to the original page gets prevented when a pid is set. This was handled the same way in 4.6 and 6.1.

- Status changed from New to Needs Feedback

Thanks for your report.

What do you mean with "edit mode"?
