

TYPO3.Neos - Task # 56302

Status:	Closed	Priority:	Should have
Author:	Rens Admiraal	Category:	
Created:	2014-02-26	Assigned To:	
Updated:	2014-10-02	Due date:	
Subject:	Use location header for nextUri?		
Description			
<p>In https://review.typo3.org/#/c/25204/22/Classes/TYPO3/Neos/Service/Controller/NodeController.php Bastian commented on the nextUri we put into the response. This nextUri is then client side evaluated and a ajax page reload is triggered if it's set. For example after node creation.</p> <p>We could use a reponse header in this case, and as such create a cleaner response.</p>			

History

#1 - 2014-10-02 12:48 - Lienhart Voitok

- Assigned To set to Lienhart Voitok

#2 - 2014-10-02 12:50 - Lienhart Voitok

- Status changed from New to Closed

- Assigned To deleted (Lienhart Voitok)

Moved to JIRA: <https://jira.typo3.org/browse/NEOS-511>
