Complexity:			
Is Regression:	No		
Sprint Focus:			
Subject:	AJAX file upload fails in beta6		
Description			
AJAX file upload fails with			
Invalid CSRF token detected for ajaxID "TYPO3_tcefile::process"!			
in beta6. I suspect #56356 to be the cause.

Please make sure to clear JS caches in the browser and remove typo3temp/Cache.

Can you try this?

It works here from the beginning..

#2 - 2014-03-07 11:03 - Lorenz Ulrich

This can be closed. It was a very nasty local caching issue. The DragUploader.js file that uses the "tokenized" URI instead of only ajax.php wasn't reloaded.
