

TYPO3.TypoScript - Bug # 57

Status:	Closed	Priority:	Should have
Author:	Robert Lemke	Category:	_old
Created:	2007-06-29	Assigned To:	Karsten Dambekalns
Updated:	2012-07-13	Due date:	
Subject:	Unsetting elements of content arrays does not work		
Description			
The following code throws an exception:			
<pre>page = Page page.10 = Text page.10 ></pre>			
Tried to assign a value to the non-existing property "10" to an object of type "T3P_CMS_TypoScript_Page"
