Sprint Focus:			
Subject:	New option clearCache.system does not show up		
Description			
<p>With #54991 a new system cache was introduced, along with a new TSconfig property, called options.clearCache.system. However setting this option to true does not work if the user does not also have either options.clearCache.pages or options.clearCache.all set to true too.</p> <p>This is because the \TYPO3\CMS\Backend\Toolbar\ClearCacheToolbarItem does not add the "system" options to the list of values to check for granting access.</p>

[BUGFIX] clearCache.system does not show up

New TSconfig option clearCache.system does not work as expected because class \TYPO3\CMS\Backend\Toolbar\ClearCacheToolbarItem wrongly checks access to that option. Thus if only clearCache.system is set the clear cache menu does not show up at all.

Resolves: #57064

Releases: 6.2

History

#1 - 2014-03-19 09:31 - Gerrit Code Review

- Status changed from Accepted to Under Review

Patch set 1 for branch **master** of project **Packages/TYPO3.CMS** has been pushed to the review server.

It is available at <https://review.typo3.org/28518>

#2 - 2014-03-19 09:46 - Francois Suter

Steps to reproduce:

- take an non-admin user and options.clearCache.system = 1 to its TSconfig, taking care that there are no other "clearCache" options set
- switch to that user => the clear cache menu does not show up
- apply the patch => the menu shows up

#3 - 2014-03-19 12:45 - Gerrit Code Review

Patch set 2 for branch **master** of project **Packages/TYPO3.CMS** has been pushed to the review server.

It is available at <https://review.typo3.org/28518>
