

TYPO3.Neos - Bug # 57559

Status:	New	Priority:	Should have
Author:	Sebastian Sommer	Category:	
Created:	2014-04-02	Assigned To:	Christian Müller
Updated:	2014-04-02	Due date:	

Subject: jQuery UI - Default Styles

Description

Currently TYPO3 Neos loads the default jQuery UI CSS Themes with no prefixes. If someone is using jQuery UI on his Website he has to remove all the Styles added from the CSS-Template in the Backend-View.
