

## TYPO3.Neos - Feature # 58297

<b>Status:</b>	Rejected	<b>Priority:</b>	Could have
<b>Author:</b>	Carsten Bleicker	<b>Category:</b>	
<b>Created:</b>	2014-04-28	<b>Assigned To:</b>	
<b>Updated:</b>	2014-06-20	<b>Due date:</b>	
<b>Subject:</b>	Enable Links to Node		
<b>Description</b>			
<p>Currently you can't click on nodelinks of the backend contentelement "Menu" f.e. because of the editing overlays. Would be nice to get this links available (disable content editing overlay) with a click on a special button in editing options. "Disable Editing Option Temporary"</p>			

### History

- Status changed from New to Rejected

You can use the desktop preview to do that. We might also disable them in the full-screen preview.
