Complexity:	easy		
Sprint Focus:			
Subject:	Enhance workspace preview for new localized pages		

Description

Scenario:

- page available in default language
- no translation available

Actions:

- in workspace, page gets localized
- preview of the new localized page

Experience:

- preview module (with live/workspace slider) shows default and translated website

There should be a warning that there is no localized pendant in live the workspace version can be compared to.
