Revision 7e643f7b - 2014-09-30 09:18 - Christian Müller

[BUGFIX] Merge request arguments instead of overwrite

A sub-request losing its arguments if a route is defined f.e. like this:
-
  name: 'Basket Steps'
  uriPattern: '{node}/{--pipeu_factura_nodetypes-basket.@action}.{@format}'
  defaults:
    '@package': 'TYPO3.Neos'
    '@controller': 'Frontend\Node'
    '@format': 'html'
    '@action': 'show'
    '--pipeu_factura_nodetypes-basket':
      '@package': 'PIPEU.Factura.NodeTypes'
      '@controller': 'Basket'
  routeParts:
    node:
      handler: TYPO3\Neos\Routing\FrontendNodeRoutePartHandler
  appendExceedingArguments: true

In this case '--pipeu_factura_nodetypes-basket' will override
any pluginArgument because of a missing check for existing
index in pluginArguments. Its getting replaced instead of merged.

This wrong behavior is fixed with this patch by merging instead of
overwriting.

Same for internal arguments.

Was fixed in master by the related feature.

Patch set 10 for branch **master** of project **Packages/TYPO3.Flow** has been pushed to the review server.
It is available at http://review.typo3.org/30562

#6 - 2014-09-21 16:16 - Carsten Bleicker
- File 201409211409527b16a6.txt added

Provided a Site Package wich let you see the problem and the resulting exception.
Please see: https://bitbucket.org/cbleicker/typo3.neosdemotypo3org/src/5dea4b055946488b5e905a480243fa3feb0e705c?at=develop

You need to enable the routes of the site package to reproduce it.
Please see Line 19 of:
https://bitbucket.org/cbleicker/typo3.neosdemotypo3org/src/5dea4b055946488b5e905a480243fa3feb0e705c/Configuration/Routes.yaml?at=develop#l-19

Site export contains a new page node called "Basket" wich has a plugin to show the behaviour.
