Complexity:	easy		
Is Regression:	No		
Sprint Focus:			
Subject:	EM should not clear all system caches on extension configuration change		
Description			
If you only change the configuration of an extension, the EM clears the system caches.			
This is overkill, since a configuration change will never have any influence on the classes cache for instance.

[!!!][TASK] Do not clear caches after extension config change

This change removes the cache flush after extension configuration changes.
Furthermore we avoid duplicate cache flushing on extension installation.

Resolves: #59966

Releases: master
