TYPO3.Neos - Bug # 60752

Status:	Closed	**Priority:**	Should have
Author:	Carsten Bleicker	**Category:**	
Created:	2014-08-03	**Assigned To:**	
Updated:	2014-10-01	**Due date:**	
Subject:	Validation for objects by __type converted Interface not invoked		
Description			

Having this:
/**

 - @var TransportInterface

   */

   protected $abreise;

and converting into concrete type by __type argument, the validation of concrete type is not invoked.
but it works with this:
/**

 - @var AbstractTransport

   */

   protected $abreise;

Maybe related to this?
