Subject:	Replace "Granted Authority" by "Role"		
Description			
<p>The (more general) concept of granted authorities doesn't seem to be necessary, as a "role" is the only granted authority we currently need / can imagine.</p> <p>Therefore let's get rid of the GrantedAuthorityInterface and all other occurrences and use the term / class "Role" instead.</p> <p>Also affects the ifGrantedAuthorityViewHelper.</p>
