

Core - Bug # 63798

Story # 63815 (New): Reduce communication between server and client

Status:	New	Priority:	Must have		
Author:	Michiel Roos	Category:			
Created:	2014-12-12	Assigned To:			
Updated:	2014-12-12	Due date:			
TYPO3 Version:	4.5				
PHP Version:	5.4				
Complexity:	easy				
Is Regression:	No				
Sprint Focus:					
Subject:	SYS_LASTCHANGED does not updated when TCEMAIN.clearCacheCmd is used				
Description					
When clearing page caches after changing records, the SYS_LASTCHANGED field of the pages is not updated. This means that the Last Modified header will not change and the visitors that already have a page cached will never fetch a new one because TYPO3 says the page content has not changed.

Short term fix would be to add this to your .htaccess:

```
<IfModule mod_headers.c>
    Header unset Last-Modified
</IfModule>
```
