Subject:	Failling unit test in GeneralUtilityTest for Windows system		
Description			
Due to another drive mapping on Windows systems paths don't start with an slash but with [C]:\. This causes a wrong test results parsing the starting slash for TYPO3_SITE_PATH.

[BUGFIX] Failing unit test in GeneralUtilityTest for Windows system

In GeneralUtilityTest a test for the TYPO3_SITE_PATH parses the result for a starting slash. This test fails on Windows system as the don't provide slashes but drive letters. This patch skips the test on Windows systems and provides a new test to check for absolute paths with drive letters.

Releases: master, 6.2

Resolves: #64644
