## History

## #1 - 2015-03-16 17:38 - Bastian Waidelich

- Status changed from New to Rejected

- Assigned To set to Bastian Waidelich

Hi, thanks for the report but we're not using this issue tracker any longer (see <u>https://forge.typo3.org/projects/flow3-distribution-base</u>) and we're about to turn it into **readonly** mode.

Please report issues to jira.typo3.org or, in this case rather use the forum / mailing list to discuss the topic as it seems like a misconfiguration rather than a bug in the framework.
