[+BUGFIX] FLOW3 (Cache): findTagFilesByEntry() now returns an array even if glob() fails. Fixes #6620.

### History

**#1 - 2010-02-26 16:24 - Thomas Fritz**

- File bug\_6620.diff added

**#2 - 2010-03-04 16:39 - Karsten Dambekalns**

- Status changed from New to Accepted
- Assigned To set to Karsten Dambekalns
- Priority changed from Must have to Should have
- Target version set to 1.0 alpha 8

Well, glob() usually returns an array, so it seems something with your cache's file structure went wrong. Anyway, I'd rather fix this so that findTagFilesByEntry() always returns an array, even if glob() fails.

**#3 - 2010-03-04 18:00 - Karsten Dambekalns**

- Status changed from Accepted to Resolved
- % Done changed from 0 to 100

Applied in changeset r3906.
