- Priority changed from Should have to Must have

#2 - 2010-05-14 22:08 - Karol Gusak

- % Done changed from 0 to 10

The Locale class was changed a little in Revision 4308. Default values were removed (all fields are now NULL by default), and convenient __toString() method was added. This class will be extended successfully during the implementation of features related to Locale, if/when there will be such need.
