

Testing - Feature # 86

Status:	Closed	Priority:	Must have
Author:	Malte Jansen	Category:	
Created:	2007-12-29	Assigned To:	Karsten Dambekalns
Updated:	2010-10-20	Due date:	
Subject:	Constant 'TYPO3_PATH_PACKAGES' consists of mixed slashes on windows		
Description			
<p>The Constant is still working, but it looks is very strange:</p> <pre>'D:\\workspace-typo3\\htdocs\\t3_v50/Packages/'</pre> <p>So, there properly something wrong with the definition: T3_Framework.php</p> <pre>define('TYPO3_PATH_PRIVATEFILECACHE', TYPO3_PATH_ROOT . 'FileCache/Private/'); define('TYPO3_PATH_PACKAGES', TYPO3_PATH_ROOT . 'Packages/'); define('TYPO3_PATH_FRAMEWORK', TYPO3_PATH_PACKAGES . 'Framework/Classes');</pre> <p>Solution:</p> <p>Use the Constant: 'DIRECTORY_SEPARATOR' instead of '/';</p>			

History

#1 - 2007-12-30 19:26 - Malte Jansen

Due to Ticket #5 the Testing package must be cleanup not using the DIRECTORY_SEPARATOR.

#2 - 2008-01-08 12:59 - Karsten Dambekalns

- Status changed from New to Closed
- Sprint set to fixed

(In r409) Changed the way the TYPO3_PATH_ROOT is set. This (hopefully) closes #86, please check if you are on a Windows machine.

#3 - 2008-01-08 17:37 - Malte Jansen

Yes, I'm testing on a windows-machine.

Your change solves this problem ;)

#4 - 2008-07-01 17:24 - Robert Lemke
