TYPO3.Fluid - Bug # 9090

Status:	Resolved	**Priority:**	Must have
Author:	Michael Feinbier	**Category:**	View
Created:	2010-07-30	**Assigned To:**	Bastian Waidelich
Updated:	2010-10-20	**Due date:**	

Has patch:	
Affected Flow version:	
Subject:	Chaining of ->assign() does not work anymore

Description

Since the latest release of Fluid the chaining of the ->assign() method does not work anymore
 	
    $this->view
      ->assign('request', $request)
      ->assign('languages', $this->languageRepository->findActive());
 	
Throws error Fatal error: Call to a member function assign() on a non-object

Revision d403729c - 2010-08-06 16:13 - Bastian Waidelich

[+BUGFIX] Fluid (View): AbstractTemplateView now correctly implements F3\FLOW3\MVC\View\ViewInterface and assign() and assignMultiple() will return an instance of $this to allow chaining again like $this->view->assign()->assign()... This fixes #9090

History

#1 - 2010-07-30 12:29 - Bastian Waidelich

- Category changed from Core to View

The feature of chaining variable assignments was added with r2899
Since r4659 This feature was (unintentionally?) removed

Note: I think the assign functions should be moved back to FLOW3/Extbase AbstractView.
Or at least they should be defined in the global ViewInterface.

Note2: For v4 we should consider re-adding this for the Hotfix releases (1.1.x)

#2 - 2010-08-02 15:24 - Bastian Waidelich

- File 9090_FLOW3_v1.patch added
- File 9090_Fluid_v1.patch added
- File 9090_tx_extbase_v1.patch added
- File 9090_tx_fluid_v1.patch added
- Assigned To changed from Bastian Waidelich to Sebastian Kurfuerst

Attached patches fixes the issue by adapting the interface and concrete view implementations. Additionally they add some unit tests and cleanups.

@Sebastian: Could you please check & apply (a subset of) the attached extbase & fluid patches for the Hotfix release? Afterwards feel free to re-assign this to me, so I can commit the rest to trunk.

#3 - 2010-08-04 19:33 - Bastian Waidelich

- Assigned To changed from Sebastian Kurfuerst to Bastian Waidelich

I'll take care of this (for trunks of FLOW3, Fluid, tx_extbase & tx_fluid)

#4 - 2010-08-04 20:00 - Bastian Waidelich

- Status changed from New to Resolved

- % Done changed from 0 to 100

Applied in changeset r4931.
