

TYPO3.Flow - Bug # 917

Status:	Closed	Priority:	Could have
Author:	David Bruehlmeier	Category:	Package
Created:	2008-06-30	Assigned To:	
Updated:	2010-10-20	Due date:	
PHP Version:			
Has patch:			
Complexity:			
Affected Flow version:			
Subject:	F3_FLOW3_Package_ManagerTest shows 2 errors on WAMP installation		
Description			
<p>Hi,</p> <p>I checked out the distribution from SVN as shown in the podcast. The default view is showing fine. When running the unit tests for the FLOW3 package, I get the following two errors:</p> <pre>F3_FLOW3_Package_ManagerTest Failure in getPackagePathReturnsTheCorrectPathOfTheTestPackage Detail D:\Entwicklung\Projekte\PHP\FLOW3\Packages\PHPUnit\Resources\PHP\PHPUnit\Framework\Assert.php:1524 getPackagePath() did not return the correct path for package "TestPackage". Failed asserting that <string:D:/Entwicklung/Projekte/PHP/FLOW3/Packages/TestPackage/> is equal to <string:D:/Entwicklung/Projekte/PHP/FLOW3/Packages/TestPackage/>. getPackagePath() did not return the correct path for package "TestPackage". Failure in getPackageClassesPathReturnsClassesPathOfTestPackage Detail D:\Entwicklung\Projekte\PHP\FLOW3\Packages\PHPUnit\Resources\PHP\PHPUnit\Framework\Assert.php:1524 getPackageClassesPath() did not return the correct path for package "TestPackage". Failed asserting that <string:D:/Entwicklung/Projekte/PHP/FLOW3/Packages/TestPackage/Classes/> is equal to <string:D:/Entwicklung/Projekte/PHP/FLOW3/Packages/TestPackage/Classes/>. getPackageClassesPath() did not return the correct path for package "TestPackage". Tests: 6 total, 0 skipped, 0 incomplete, 2 failed, 0 errors</pre> <p>I have attached the phpinfo() so you can have a look at my installation (basically Windows XP with Apache 2.2.6 and PHP 5.2.4)</p> <p>Greetings, Dave</p>
