

TYPO3.Fluid - Bug # 9444

Status:	Closed	Priority:	Should have
Author:	Christian Zenker	Category:	
Created:	2010-08-25	Assigned To:	Sebastian Kurfuerst
Updated:	2010-10-20	Due date:	
Has patch:			
Affected Flow version:			
Subject:	All Link_ActionViewHelper and Link_PageViewHelper should return no a-tag when linking to a hidden or non-existent page		
Description			
<p>Right now, if the linked-to page is hidden, deleted or has never even existed an <a>-tag with empty href is returned (effectively linking to the current page or the homescreen if baseUrl is used). This behaviour is unexpected and not compliant with the typolink object - so I would consider this a bug.</p> <p>Patch is appended.</p>
